

Surveyor's Certificate

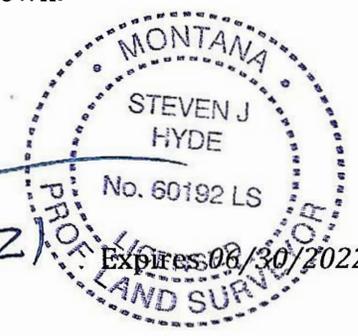

I, Steven J. Hyde, being a Licensed Professional Land Surveyor in the State of Montana, hereby certify to the best of my professional knowledge and belief that the survey methodologies and results shown on the attached report for the Montana State portion of the report titled Survey Report of LiDAR Calibration & Quality Control Points USGS Contract: G16PC00016 MT RavalliGraniteCusterPowder 2019 B19, dated August 19, 2021, were performed and obtained utilizing commonly acceptable survey standards, practices and procedures. The survey portion of this project was accomplished on March 03, 2020- August 16, 2021.

I have reviewed the accuracy statements as part of my oversight and found them to meet the National Standards for Spatial Accuracy (NSSDA) shown.

Steven J. Hyde PLS #60192
