## CAUTION!

Not all legend items may appear on this map.

Some Public Land data types were symbolized together by broad government categories for display on this map.

Land management features shown on this map are not intended as a legal depiction of public or private surface and ownership boundaries and should not be used in place of a survey conducted by a licensed land surveyor.

Public ownership of land does not imply public access. Not all public parcels or roads shown on this map are open to the public. Inquire locally to learn if you can enter certain land parcels or drive on certain road. Ask first!

Map features shown, including conservation easements AND ROADS, do not imply public access to any lands.
